

Road Repairs and Concrete Works in Ambad MIDC after Monsoon: Assures NMC Commissioner Manisha Khatri

At a review meeting with AIMA office bearers, Nashik Municipal Commissioner Ms. Manisha Khatri assured that immediately after the monsoon, all potholes in Ambad MIDC will be repaired, and concrete road works will be undertaken in a phased manner.

The Commissioner, along with senior municipal officials, inspected the industrial area and later interacted with the representatives of AIMA at the K. R. Boob Conference Hall. Present on the dais were AIMA President Lalit Boob, BOPP Chairman Dnyaneshwar Gopale, Hon. Gen. Secretary Pramod Wagh, Vice Presidents Rajendra Panasare and Umesh Kothawade, Hon. Secretary Yogita Aher, Past President Dhananjay Bele, Infrastructure Committee Chairman Kundan Darange, Ravindra Mahadeokar, City Engineer Sanjay Agrawal, Deputy Engineer Hemant Nandurkar, Executive Engineer Rajendra Patil, and Alok Kanani.

During the discussions, AIMA President Lalit Boob highlighted the deteriorated condition of roads in the Ambad industrial estate, inadequate and non-functional streetlights leading to thefts, traffic congestion due to narrow roads, encroachments, and the rise of illegal activities hampering industrial growth. He emphasized that despite generating the highest revenue for the Nashik Municipal Corporation, the industrial estate continues to face severe basic infrastructure challenges. A memorandum was submitted to the Commissioner, urging urgent action and dedicated budgetary allocation in the municipal plan for the industrial area.

Other AIMA delegates including BOPP Chairman Dnyaneshwar Gopale, Hon. Gen. Secretary Pramod Wagh, Ravi Shamdasani, Jagdish Patil, and Ravindra Zope also raised pressing issues.

Responding to the concerns, Commissioner Manisha Khatri assured that:

Pothole filling will begin immediately after the monsoon.

Concrete road works will be taken up in the first phase, including Garware to Exlo Point and Papaya Nursery to Ambad Gaon Road.

The road from Freshup Bakery through K Sector to the industrial estate will also be concretized.

Streetlight repairs will be prioritized.

Encroachments will be removed.

Underground drainage project will commence soon.

She further informed that funds from various schemes will be utilized to execute these works effectively.

The interactive session saw active participation from industrialists including AIMA Executive Committee members Yogesh Patil, Abhishek Vyas, Hemant Khond, Sharad Datir, Jagdish Patil, Avinash Marathe, Nagesh Pingle, Rahul Gangurde, Jayant Pagar, and Ravi Gurunani, who voiced specific issues faced by their sectors.
